**Self-Paced:**

**A**re you thinking of enrolling in the Center for Distributed Learning courses? Here are just a few of the reasons you'll love our self-paced learning courses:

- The courses are interesting and informative.
- The course is interesting and it is applicable to life.
- This is one of the most enjoyable classes I have taken.
- I actually know more in this class than any other I have taken.
- I like that I can work at my own pace.
- The flexibility and convenience worked well.
- I didn't expect to learn that much in just one semester.
- It is wonderful to take a course from a professor who so obviously knows what he is doing - it inspires your enthusiasm in the work!
- The instructor was very helpful. Come on and give us a try. We will inspire you as well!

Have a Great Semester!
